### SELECTMEN'S REPORT

The cost of operating the Town during 1948 increased \$3,928.71 over the previous year. The reduction in cash for the year was \$5,312.89. We should not overlook, however, that this figure includes the payment of \$3,000.00 on the bonded debt plus \$550.00 interest thereon.

There is a financial statement of expenditures under direct control of the Selectmen on the three previous pages of this report. We would be remiss if we did not make mention that a new contract with the Proctor Hospital has been signed for maintenance of the Isolation Building which reduces the cost for this service by \$100 yearly.

During the past spring and summer much was accomplished in trimming the trees along the roadsides, thereby improving the electric illumination. The expense for this improvement, which has been postponed for several years, amounted to \$2,288.15.

Your attention is directed to the Welfare Account which was more than double the amount for 1947. There were fourteen families or members of families receiving assistance during the year. In addition to our expense for Welfare the State Department of Social Welfare has contributed greatly to the assistance of the needy in our community. A full report of such payments is printed on the next page.

To our Townspeople and the State Officials who have assisted us during the past year we express our grateful appreciation. Your continued cooperation will always be welcome. We invite suggestions that may improve our community.

Any problem pertaining to Town affairs may be presented to this Board at any of its regular meetings which are held in the Town Clerk's Office each Thursday at 5:00 P.M.

FRANK J. OLNEY,  
EDWARD W. OLSON,  
JOSEPH F. SHERLOCK,  
Selectmen.

## VERMONT DEPARTMENT OF SOCIAL WELFARE

MONTPELIER, VERMONT

In accordance with established custom, we are presenting for the information of your taxpayers a summary of state payments during 1948 to individuals applying from Procter.

This type of state aid reflects payments from federal aid and tax sources not available to local municipalities and to such extent represents a lightening of the local tax rate.

Old Age Assistance	\$5,501.00
Aid to Blind	495.00
Aid to Dependent Children	2,919.00
Adult Crippled Aid	—
Committed Children	983.44
Total	<hr/> \$9,898.44

W. ARTHUR SIMPSON,  
Commissioner.

## HIGHWAY COMMISSIONER'S REPORT

The surface treatment of gravel roads was extended to a portion of Gorham Bridge Road, Pine Street, Powers Square and Eden Avenue, leaving only one mile of Improved Gravel Roads around Town.

Second year applications were given to Meadow Street, Willow Street, Patch Street, Beaver Pond Road and Pine Street.

East Street was retreated.

It was not possible to resurface the concrete on South and Main Street with the hot asphalt as had been hoped. It is expected that this work will be done early next summer.

No new equipment has been purchased this year. All old equipment is kept in the best shape possible, to be ready when needed.

The year end flood on Otter Creek did only slight damage to the tar surface on the cross road at the Double Road Bridge. It was necessary to close that road and the East and West Roads, Gorham Bridge and Florence Road because of high water.

F. J. OLNEY,  
Highway Commissioner.
